

Deloitte.

Step into a Digital ecosystem
DBoard: our platform to drive
your business performance

DBoard

About DBoard

Ready for the next generation platform to conduct business?

1 **DBoard** is the portal providing you with the digitization of Deloitte services.

2 **DBoard** is an optimized tool to put you in full control of your activities entrusted to Deloitte.

3 **DBoard** gives you access to a suite of business applications to increase your business performance, provides you with real-time access to dashboards, project reports, data and documents and takes our interaction model to another level of efficiency.

A world of services at your fingertips

Go beyond:

How can DBoard help you?

DBoard is not specific to one industry or function, but an effective, fundamental, and scalable transversal platform, lowering your operational barriers by leveraging synergies using common standards and tools.

Effectively steer your business and master all the information

- From high level dashboards to project details to let you control your business with your desired level of granularity
- Customisable activity matrix (registration status, tax figure publications, KIID dissemination, etc.) to combine and view your cross-border activities as you need and in a single view

Control your cross-border activities through one consolidated view

- Fund registration
- Tax figure publications
- KIID production
- Fiscal and financial statements
- Regulatory and statistical reporting
- Many others

Communicate safely and easily

- New interaction model based on an innovative communication model
- Documents. Safe and available when you need them

Broadening your horizon

- Access to all our tailor-made features in our Featured section (Anywealth, SafeFundTax)

Smart Governance

is a key success factor in today's fast moving environment and regulatory framework

Deloitte is a multidisciplinary service organization which is subject to certain regulatory and professional restrictions on the types of services we can provide to our clients, particularly where an audit relationship exists, as independence issues and other conflicts of interest may arise. Any services we commit to deliver to you will comply fully with applicable restrictions.

This communication contains general information only, and none of Deloitte Touche Tohmatsu Limited, its member firms, or their related entities (collectively, the "Deloitte network") is, by means of this communication, rendering professional advice or services. Before making any decision or taking any action that may affect your finances or your business, you should consult a qualified professional adviser. No entity in the Deloitte network shall be responsible for any loss whatsoever sustained by any person who relies on this communication.

Deloitte refers to one or more of Deloitte Touche Tohmatsu Limited, a UK private company limited by guarantee ("DTTL"), its network of member firms, and their related entities. DTTL and each of its member firms are legally separate and independent entities. DTTL (also referred to as "Deloitte Global") does not provide services to clients. Please see www.deloitte.com/about for a more detailed description of DTTL and its member firms.

Deloitte provides audit, consulting, financial advisory, risk management, tax and related services to public and private clients spanning multiple industries. Deloitte serves four out of five Fortune Global 500® companies through a globally connected network of member firms in more than 150 countries bringing world-class capabilities, insights, and high-quality service to address clients' most complex business challenges. To learn more about how Deloitte's approximately 225,000 professionals make an impact that matters, please connect with us on **Facebook**, **LinkedIn**, or **Twitter**.
